\*\*\*

**Black Canyon City – On May 16, 2016**, deputies were dispatched to the Javalina Crossing Saloon in the 34000 block of S. Old Black Canyon Highway, Black Canyon City, regarding a burglary. It was estimated the break-in occurred between 2:30 am and 8:30AM that morning (May 16<sup>th</sup>). The owner reported that unknown suspects forcibly entered the business and stole a Karaoke music system, undisclosed amount of cash, and security system equipment which include a digital video recorder (DVR). It appeared the suspects had prior knowledge of the saloon's layout based on the type of items stolen. Employees indicated suspicious persons were seen near the saloon the prior day and may be involved. These leads were documented for further investigation.

The point of entry was likely through a space created after a wall mounted air conditioner was removed in the office.

Detectives and evidence technicians were notified, conducted an on-site investigation and recovered evidence.
